We have produced high quality Cabernets for over 30 years, (from Mosquito Creek vineyard), at Joanna, Wrattenbully Region, in the South East of South Australia. This new Cabernet has been sourced from a high quality vineyard in Coonawarra.

From the excellent 2021 vintage, we have again selected the very best barrels to produce a Cabernet to equal the previous multi-award winning Cabernets over a long period.

The hand-picked grapes from a low yielding crop on the classic "terra rossa over limestone soil", was aged for 2 years in new and aged French Oak barrels.

A wine that will develop significantly in the bottle for up to 10 years with careful cellaring, maturing into a full bodied wine, dark in colour with complex and intense berry fruit flavours with fine, well balanced tannins and an elegant finish.
