tasting notes

ROSÉ 2011

Region McLaren Vale, South Australia

Vineyard/Location McLaren Vale

Alc/Vol 13.5%

Grape Variety 100% Grenache

Oak Un-oaked

Released August 2011

Our new release Rosé from McLaren Vale is our third from this Region, and we think our best to date.

In a very difficult vintage year, quality fruit from the McLaren Vale vineyard, (100% Grenache from old bush vines), has given us a wine with lovely pale pink hues and summer berry flavours.

A well balanced dry Rosé with hints of toffee aromas, this is a wine to be enjoyed on its own all year round, but particularly enjoyable served chilled in the warmer summer months.

A classy, very drinkable wine to be enjoyed on its own or with a wide range of foods.

Drink now, and enjoy!
