### SEMILLON CHARDONNAY 2008

Region McLaren Vale, South Australia

Vineyard/Location Potters Clay, Willunga

Alc/Vol 12.5%

Grape Variety 60% Semillon 40% Chardonnay

Oak Chardonnay a few months in older French Oak

From a region which has not been a source for us before – a Semillon Chardonnay from a long established McLaren Vale vineyard.

A medium bodied, rich blend in contrast to our lighter, cool climate whites, from the warmer region of McLaren Vale, just south of Adelaide.

Flavours of tropical fruit, citrus, with nicely balanced acid and toasted oak characters.

Its rich mellow flavours go well with Asian food, seafood, chicken.

Will soften and develop with bottle age.

Serve chilled.
