## *tasting notes*

## SHIRAZ 2006

Region Wrattenbully, South Australia

Vineyard/Location Mosquito Creek, Joanna

Alc/Vol 15%

Grape Variety 100% Shiraz

Oak Aged over 22 months in new and aged French Oak

The follow up to our award winning 2005 Shiraz Wrattenbully, both from our source vineyard at Joanna.

Perhaps not quite as approachable early as the 2005, however, while it may take a bit longer to develop, the complex berry flavours and the peppery 'earthy' characters typical of the region are evident.

The vineyard, on the famous terra-rossa-over-limestone soil, is low yielding (between 1.5 to 2.0 tonnes/acre), the fruit was picked well-ripened and the wine spent nearly 20 months in new and aged French Oak.

The wine is full bodied with good weight and balance, and, typical of our reds from this region, will develop significantly in the bottle over the years to come. One for the cellar.

Drink now to 2015+
